

## PLANNED GIVING

The 1854 Society acknowledges the thoughtful generosity of those benefactors who make St. Ursula Academy a beneficiary of a future gift. A planned gift of any size qualifies for membership in the 1854 Society. In addition to the powerful legacy you will be leaving at SUA, donors may also realize financial or tax benefits, such as increased income or reduced estate tax liability.

Our current 1854 society members are below. These individuals have generously remembered our beloved school in their philanthropic endeavors. Their support has made a remarkable impact, and we are incredibly grateful for their commitment to St. Ursula Academy's mission.
